

We are a grass roots organization from New Jersey who adopt soldiers and send care packages to troops deployed overseas. We do not accept monetary donations. We ask for the donation of goods and items to send in care packages. 100% of the donations we receive go directly to our troops.

Donating to Support Our Troops.

Soldiers Race Team:
Medic/TBI clinic Support

Soldiers Race Team has adopted 3 clinics in Afghanistan. These clinics will be supporting soldiers who have suffered concussion injuries and Traumatic Brain Injuries (TBI). **We will need your help!** Please look at the list of items we need. Due to the specialized nature of mission of these soldiers, they have reached out for specific items. We begin collection of items 03-17-2011 until December 2011.
